

Controller

About Tailwind Nutrition

Tailwind is a fast-growing sports drink manufacturer in Bayfield and Durango, CO, named one of the Colorado Companies to Watch in 2017. Our mission is to help athletes realize their goals with simple and proven nutrition coupled with education, encouragement, and unexpectedly delightful customer service. We're a tight-knit group that loves sharing in our customers' success and supporting the community we live in. Tailwind offers competitive salaries, health insurance, 401K, and paid time off benefits. Employees can also take advantage of Tailwind's awesome products to fuel their own passions. Taking a run, ride, or paddle during the day is encouraged.

About the Job

We're looking for an analytical, tech savvy, flexible person to help us stay ahead of rapid growth by developing and implementing good practices for cash flow management. You'll be responsible for managing the accounting and inventory processes, controls and compliance, managing a bookkeeper, and optimizing cash flow as we grow. We use NetSuite, Excel, and web tools.

Responsibilities

- Manage cash flow and accounting processes to support rapid growth and uninterrupted operations
- Implement and manage processes for receivables, payables, and inventory
- Build projections for cash flow needs
- Budgeting, financial planning, and compliance
- Prepare, analyze, and present financial statements and reports
- Manage bookkeeper
- Sales tax filings
- Work with CPA to prepare for tax filings

Desired Qualifications

- Analytical and tech savvy problem solver
- Self-starter and flexible
- At least 2 years experience in a controller role
- At least 3 years experience managing a financial team
- Bachelor's degree in accounting or business administration
- NetSuite experience a plus, ability to master NetSuite, Excel, and web tools required
